Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Mastering Non-Verbal Reasoning: (The Secrets to Passing Non-Verbal Reasoning Exams, Exposed), Terrence Millington, Mastering Non-Verbal Reasoning (the secrets to passing non-verbal reasoning exams, exposed) is unlike any other book of its kind. Most books of this nature contain only questions, whereas this book details methods and techniques in a step-by-step guide that should enable anyone to solve non-verbal problems from the topics covered. In a series of steps, hints and tips for working out non-verbal questions, Terrence Millington reveals what he calls his 'fail-proof' method that has been refined and perfected over the course of several years. He has already helped a high percentage of children to pass entrance exams in the subject, and has released this book in order to help as many more children as possible to achieve the same. The book can also be used effectively to help parents understand non-verbal reasoning. With a 'Message to Parents' section that offers advice on how to get the best out of the book, the author has provided a great opportunity for mums and dads who don't understand the subject to overcome this problem and help their children with questions. "I see non-verbal reasoning like mathematics; in maths you learn a formula and if you remember it you are able to answer any like question. I provide children with the formulae for non-verbal reasoning; if they learn my methods and techniques they should be able to answer any resembling non-verbal question." Terrence Millington comments on his reasons behind Mastering Non-Verbal Reasoning. Tailored towards those that are applying for 11+ entrance exams to private and grammar schools, Mastering Non-Verbal Reasoning is an essential guide for children and their parents alike.
