

Darwin and the Humanities, Vol. 2 (Classic Reprint) (Paperback)

By James Mark Baldwin

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Charles Robert Darwin, the famous English naturalist and geologist is the central focus of James Mark Baldwin s book Darwin and the Humanities. By introducing the theory of natural selection Darwin earned the title Father of Evolution. He singlehandedly identified the process of selective breeding or natural selection in which desirable traits are replicated and undesirable traits are removed from the gene pool as an evolutionary process and thereby changed the face of modern science. The purpose of Baldwin s book on Darwin is to explore the influence and impact Darwin has left on science, especially the Mental and Moral sciences. Baldwin does his best to explore the topic in plain speech, or layman s terms, to allow a reader of any background and education the ability to understand his examination of Darwin s legacy. Baldwin hopes that his discussion of Darwin will be useful to future scientists, and future philosophers. His main objective is to stimulate conversation among students on these topics. I hope, therefore, that this little book may serve to stimulate others, especially students...
