By Jd Wetterling

Createspace, United States, 2009. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.No Time To Waste is a chilling combat memoir, a gripping gospel story-to hell and back and glory beyond by God s grace alone. It s a true tale of amazing grace at Pearl Harbor and Guadalcanal aboard the cruiser USS San Francisco; under the South Pacific aboard the submarine USS Queenfish on all five war patrols; over the Ho Chi Minh Trail in an F-100; and in the hearts of two veterans-cultural curmudgeons-long after their combat days were over. John E. Jack Bennett (USNA 41) was a former Reagan staffer, career nuclear submarine commander, and twice-wounded WW II vet. At 78, he was a much-involved patriot with a brilliant mind but a lost soul. Author JD Wetterling, a Presbyterian elder a generation younger, was a fighter pilot with 268 combat missions in the Vietnam War. They became best friends. Then, in a heartbeat, it was war again, with eternal consequences that dwarfed their shooting wars, and there was no time to waste. Read more at.
