## STATISTICAL INFERENCE: A CONCISE COURSE

Dover Publications. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.0in. x 6.4in. x 0.5in. This brief course in statistical inference was extensively class tested by the author at the University of Illinois, and it requires only a basic familiarity with probability and matrix and linear algebra. Ninety problems with solutions make it an ideal choice for self-study as well as a helpful review of a wide range of statistical formulas with applications in business, government, public administration, and other fields....
