EXERCISES FOR VOICE THERAPY (MIXED MEDIA PRODUCT)

Plural Publishing Inc, United States, 2013. Mixed media product. Book Condition: New. 2nd Revised edition. 279 x 216 mm. Language: English . Brand New Book. This popular resource, now in its second edition, fills a large gap in the clinical literature. The book now includes more than 70 therapeutic exercises by some of the world's leading voice therapists - including 25 new exercises - providing a greater assortment of exercises targeting a larger variety of voice disorders. These exercises, which vary in difficulty, are aimed at helping therapists develop treatment plans and session materials for clients with a wide array of voice disorders. All of the exercises follow the same format for easy integration into your therapy sessions: title, purpose, origin, overview, and then a detailed step-by-step explanation of the exercise, many of which are complemented by an audio demonstration on an accompanying audio CD.
