Kuperard, London, 2012. Paperback. Book Condition: New. This comprehensive, step-by-step guide is designed to prepare you for your move abroad and to enable you to manage the transition effectively. Alone in the market, it combines the practical, cultural, and psychological aspects of relocation, and helps to allay the fears and reduce the stresses that accompany this major event in a person's life. Preparing For Your Move Abroad follows a typical relocation timeline, taking you from your first step - the decision to move - to your integration into the host society, and through every step between these two points.
