Brand New Book ***** Print on Demand *****.My friends have ask for a coloring book for them. Adults that work and run as hard as they can all day. They loved coloring but didn t want to color children s coloring books. They needed one of their own. I loved coloring as a child and I love it today. This book is made to draw in and color and you don t have to stay in the lines if you don t want to. If you want to make copies it is ok for class rooms ect. As long as you don t sell them or use them for Commercial sales. These drawings will de-stress you. Make you relaxed and calm. It is so peaceful just sitting and coloring. Each of the drawings is specially printed on a single page with the reverse left blank so you can cut out and use your picture for displaying or framing.
