Cengage Learning, Inc, United States, 2013. Paperback. Book Condition: New. 5th Revised edition. 230 x 188 mm. Language: English . Brand New Book. Designed for anyone interested in graphics, photography, or photographic creations, this book demonstrates how you can put the incredible power of Corel PaintShop Pro X6 into play. It cuts to the chase of the PaintShop Pro X6 tools that are best used when working with photographs and creating your own graphic elements. You ll learn how to correct and enhance photographs so that things like red-eye, scratches, blemishes, and unwanted objects no longer detract from your favorite pictures, whether they re ones you just captured or ones you re trying to restore to former glory. You ll read about color and how it works and use layers to adjust brightness, hue, and contrast. You ll also learn about resolution and how it applies to your monitor, your images, and your prints. In addition, you ll explore the PaintShop Pro RAW lab, where you can process your camera s RAW images, getting just the look you want. Discover fun things you can do with your photographs, such as creating digital scrapbook pages and 3-dimensional images. You ll learn how you can make composite images and create works of art with the special effects provided with PaintShop Pro X6. Throughout these pages, you ll find step-by-step instructions, full-color photographs, notes, and Tips. You ll also find an appendix covering keyboard shortcuts, as well as a glossary you can refer to for new terms. Harness the power of PaintShop Pro X6 to perfect your photographs and create graphic elements that are dynamic, unique, and fun. What s on the companion website: fun sample graphics, fonts, frames, and brushes and demo add-on filters programs for use with PaintShop Pro X6.
