paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pub Date :2007-10-01 Publisher: People's Health Publishing House in Europe, the United States and other developed countries and regions are still facing important challenges of sudden cardiac death. The main difficulty lies in two aspects. first, how to find dangerous individuals before ventricular tachycardia or cardiac arrest events; two patients quickly treatment is how the vicious incident occurred outside the hospital. To highlight these issues, the European Society of Cardiology has developed the guide. Joint Writing Committee of the American College of Cardiology, the American Heart Association, the European Society of Cardiology and the Heart Rhythm Society, for the evaluation and treatment of ventricular arrhythmias and cardiac arrest patients formulate another set of guidelines for ventricular tachycardia and The danger of sudden cardiac death in patients with various heart diseases, and further processing. The book as part of the series of the European Society of Cardiology (ESC) guidelines provide the background knowledge of the relevant guidelines, but focuses on the discourse cardiac arrest from the basis of experimental research to clinical trials awareness of progress. This book is also about the subject syllabus supplement. Cardiac arrest has no borders, the characteristics of the book is to explore the subject of each chapter by one or more experts in Europe and the United States as a co-author, in order to reach an international consensus. The book covers epidemiology, genetics, the mechanism of arrhythmia risk stratification, the autonomic nervous system, phenotype, and disease and special populations, including coronary artery disease, cardiomyopathy, a genetic disease, valvular heart disease, heart failure, drugs and sudden death in athletes. Last discusses drugs, devices and ablation therapy and cost-effectiveness analysis. Four Satisfaction guaranteed, or money back.
