

The Case of the Missing Moola (Paperback)

By David Lewman

SIMON SCHUSTER, United States, 2012. Paperback. Book Condition: New. 193 x 130 mm. Language: English . Brand New Book. Crack a case with Club CSI: in this new middle-grade series about forensic science! Calling all kid crime-solvers: Forensic science isn't just for grown-ups anymore! Thanks to the popularity of shows like CSI: Crime Scene Investigation, forensic science has made its way into the classroom. This new middle-grade series stars a group of students whose forensic science class inspires them to form a Club CSI: to investigate crimes and capers at school. As Club CSI: collects clues, readers will love trying to put the pieces together to find out what really happened in this series that is part mystery, part detective story, and just plain fun! In Club CSI: Untitled #2, Ben, Corey, and Hannah will have to use all they've learned about forensic science plus good old-fashioned detective work and a little bit of luck to solve their next case! Inspired by the CSI franchise, Club CSI: is required reading for young scientists-in-training, or for anyone who loves a good mystery!.

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
