

Single Mom (Paperback)

By Omar Tyree

SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. Reprint. 170 x 107 mm. Language: English . Brand New Book. After more than ten years of successfully raising two sons on her own, Denise Stewart finds herself involved with both of their fathers while also beginning a relationship with a new man. Jimmie, the father of her eldest, suddenly wants a major role in his son s life after learning that the teenager is a top basketball prospect. Walter, the father of Denise s younger son, returns from the historic Million Man March in Washington intent on gaining custody and determined to assume full-time responsibility for his son instead of for just two weekends out of each month. And then there s Brock, the truck driver who is falling in love with Denise but is uncertain whether he wants the burden of a ready-made family. New York Times bestselling author Omar Tyree delivers a compelling and powerfully true-to-life family drama for all those who understand and, most importantly, don t understand the plight of the single mother (Lolita Files).

Reviews

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
