Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

THE PSALM KILLER: PICADOR CLASSIC (MAIN MARKET ED.)

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, The Psalm Killer: Picador Classic (Main Market Ed.), Chris Petit, With an introduction by Alan Moore. It was always the same nightmare. Cross saw them lined up in rows, in stretches of city wasteland - those derelict spaces once described to him by a child as the blank bits where things had been before they'd got blown up. In Belfast in 1985 a killer stalks the streets. It is a time and place ruled and divided by political and religious differences, but this series of crimes cuts across all those boundaries. Detective Inspector Cross, together with a young policewoman, must enter a maze of conspiracy, paranoia and tainted secrets in order to uncover the motives of the murderer. As the investigation draws closer to the truth, they find themselves in a nightmare world, with no hope of escape. The Psalm Killer is Chris Petit's epic thriller set during the Irish Troubles. Masterfully written, disturbing and exciting, it is a book of immense intelligence and a real classic of its genre.
