Owls, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Raw Coping Power: From Stress to Thriving (in life and business) explores new ways to address the growing problem of stress in society and the workplace. It is both a practical guidebook and resource for anyone interested in mastering stress, including individuals, groups, workplaces, and those who serve them (such as coaches, counselors, trainers, and therapists). The purpose and background of each tool is described and specific steps are given that make these easy to use. A Resource section also gives different tips on where and how to get additional help. Much of Raw Coping Power is based in scientific research and a Notes section gives additional citations and capsule clarifications for studies and other references used. A list of definitions also makes this a very...
