Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

And this is a very important intangible in dealing with this whole set of issues to try and bring competition to greater parts of America so that we can all enjoy the benefits of deregulation. Thank you, Mr. Chairman. The prepared statement of Mr. Miller follows: REPAED TATEMENT OF HOMAS ILLER TTORNEY ENERAL TATE OF OWA P S T J. M, A G, S I I appreciate the opportunity to appear before this Committee today. As a point of departure, I believe we can agree that we are now at a particularly critical junc-ture in the nations efforts to create a competitive airline industry. Travelers and the business community alike are keenly aware that a major airline consolidation effort is proposed that would have seemed incredible to industry experts just a few years ago. If this consolidation isnt halted, we have to consider the possibility that the entire U. S. air transportation industry may be in the hands of three or four major companies within the next few years. THE UNEVEN IMPACT OF DEREGULATION Deregulation of the airline industry has largely been a success with better service and better prices for the traveling public. Nonetheless, in many areas of the country, we have witnessed more costly airfares, a reduction in new entrants into air mar-kets, and lessening competition among the major carriers with their grasp on key hubs. We have come to understand...
