The Principles of Agriculture for Common Schools (Classic Reprint) (Paperback)

By I Oscar Winslow

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Principles of Agriculture for Common Schools A knowledge of the principles of agriculture, which simply means a knowledge of the natural laws and principles which underlie rural life and rural pursuits, is not only important for those who are actually engaged in the pursuits of agriculture, but may in general be regarded as an important element in the education of the young. For the large number of pupils who are unable to pursue an extended academic course of study, the natural sciences should not, as is too often the case, be wholly neglected. Although the time of the school course may not admit of a thorough mastery of any one of these sciences, a selection of the fundamental and elementary principles of each may be consistently and profitably presented. Education of this kind, impressing upon the young the mysteries and the beauties of nature, tends to increase the fondness for our native soil, and to develop a spirit of genuine patriotism. This book is designed primarily for use in the public schools, and contains...
