Asheville has a secret. It stays locked away in a room, deep within a demonic castle, looming darkly above the city below. Few know what it is, and those who do are afraid to say. They call it simply, The Horror. It has brought malign wealth and unchallenged power to those who control it. Unchallenged that is, until he came along. He was a stranger, as steely and mysterious as the castle itself. No one knows his name, or the place he calls home. But he will do whatever he must to face the sinister forces lurking within the gothic fortress walls. Through land, air, and water he will struggle to reach his goal, unraveling the city's bitter enigmas along the way. Shrouded by mystique, sorcery, and the towering Blue Ridge Mountains, he has a fateful rendezvous with unspeakable wickedness. His life at stake, an entire region against him, he'll go to any lengths to find and destroy the evil in Asheville. This item ships from multiple locations.
