Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

(Faye Shanahan)

THE SECRET WORLD OF THE VICTORIAN LODGING HOUSE

Pen & Sword Books Ltd. Hardback. Book Condition: new. BRAND NEW, The Secret World of the Victorian Lodging House, Joseph O'Neill, Criminals, drifters, beggars, the homeless, immigrants, prostitutes, tramping artisans, street entertainers, abandoned children, navvies, and families fallen on hard times - a whole underclass of people on the margins of society passed through Victorian lodging houses. These places were to be found in almost every city and town and they were central to working class life. The Jack the Ripper murders of 1888 brought lodging houses to the attention of an appalled public and, labelled seedbeds of infectious disease, they were seen as training schools for criminals and conmen of every description. The reality, however, was more complex as lodging houses also provided for those scratching a living, and sheltered those who refused to enter the workhouse. Joseph O'Neill's fresh research into this lost world of the 'night-time havens of the wandering tribes' flings open the door to the nineteenth century lodging house, and tells the forgotten stories of those who spent their nights sharing beds with bugs, thieves, and much worse. O'Neill's previous titles: 'His achievement in applying imagination to the historian's meticulous research produces something rare and true and graceful. recalls The Suspicions of Mr Whicher' The Irish Post Joseph O'Neill's conjures up the sights, sounds and smells of a lost age' Manchester Evening News.
