

Science Homoeopathy Parallels in the Genetics of Criminal and Antisocial Behaviour (Paperback)

By Fiona Spencer Thomas Lch

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.DSM IV, as defined by the American Psychiatric Association, formed the basis for the identification of the homoeopathic rubrics associated with the symptoms of Conduct Disorder and Antisocial Personality Disorder. The results of the research into different trials and experiments coalesced into easy-to-read charts that form the basis of this study, a helpful tool when treating people presenting these behavioural traits.

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
