

The Social Value of the Gospel (Classic Reprint) (Paperback)

Filesize: 4.56 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which I in fact changed me, change the way I think.

(Lucinda Stiedemann)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Social Value of the Gospel The basis of durable social work is religion. Its motive power is charity in its Christian sense. The general principles of social well-being and the true spirit of Christianity lead us back to the teachings of Christ. Hitherto we have possessed no Catholic work in English on the precise subject of the social import of the Gospel; and since correct views upon this particular matter are necessary for those engaged in social work, Miss E. Willson accepted the task of translating the volume of M. Leon Garriguet entitled *La Valeur Sociale de l'Evangile*. The scope of this work is confined to the teachings of the Gospel, the teaching of the Apostolic writings being merely incidentally referred to. Neither does the author deal in any way with the motives or spirit of Christian charity. The purpose of the book is to state the position taken up by Christ on the general questions of wealth, poverty, property, community of goods, socialism and economic progress. It may be here mentioned that quotations have been taken either from the English originals of works referred to, or from English translations of other works, whenever such exist. For the assistance of the general reader a brief account is supplied of the authors whose works are cited in the course of the volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
